Mr. Dillard S. Gardner,
Raleigh, N. C.

My dear Mr. Gardner,

Your letter relative to Advance Sheets of various reporters to hand, and thanks for writing.

We would not be interested because we have here in the library of the U. S. Circuit Court of Appeals the entire Reporter System except perhaps in #6 as to Blashfield and Zollman. The Library has Berry on Automobiles, Collier on Bankruptcy, tho I am thinking of purchasing a set of Remington, up to date at second hand price.

We have added to the Library within the past year the law books of Mr. Sondley's library, about 1000 volumes, and have purchased McQuillan on Mun. Corp, Thompson on Corp. Freeman on Judgments, Thompson on Real Property on Neg. Inst and others—all latest editions which I was fortunate enough to buy second hand at a saving of more than $200.

We have close to 2500 books now, and are keeping up a subscription list of Am. Jur., Corp Secundum, N. E., S. E., Fed. 2nd., U. S., N. C. Cent. Dig. Shepherd's Anno. N. C. adv. Shts. I believe we have as good library as you will find in the State almost; but will be delighted to have suggestions from you from time to time.

Your letter is my first knowledge of your appointment as Marshal, and permit me to offer my congratulations, and to say that I feel sure it was a wise one.

yours truly
