Dear Peyton:

Your letter about the conference on law classification was quite interesting.

It could be quite valuable but it will take quite a lot of work if we want to stay out of the realm of abstract theory and have a practical nuts and bolts type of session.

You probably remember that we use the Los Angeles "K" classification for everything but our American monographs. We are close to a final decision on the monographs and our decision probably will be a modified Los Angeles KB for the American monographs.

Yes, I am interested enough to want to participate even if I have to write a paper.

Best wishes,

A handwritten signature in cursive that reads "Bill".
