Dear Corinne:

Please forgive this delayed letter in answer to yours of January 17th but our legislature is in session and I just have had no time to think of Chapter matters.

I do think that a nominating committee should be appointed now so that new officers can take over at the close of the Louisville meeting. Why not appoint the committee from the North Carolina - Duke area since it should not be too difficult for them to get together. Harriett French was chairman last year.

It seems to me that two program sessions at Louisville should be enough leaving time for interested librarians to attend some of the sessions of the law teachers. I assume that entertainment can be integrated with that planned for the law teachers also except perhaps for one luncheon. My idea for the program was to devote one session to a round table discussion or evaluation of the practice books, digests, etc. for each state represented in the Chapter with the idea of helping out-of-staters select publications for their own libraries. As you know these publications are seldom reviewed in the leading law reviews. Because of time limitations it might be necessary to limit panel members to representatives of four or five states and then encourage contributions from the floor. Another meeting might be devoted to briefing the members of the group on the status and projected activities of the Southeastern Inter-library Research Facility which has recently been organized under the auspices of the Southern Regional Education Board. This Facility certainly affects any cooperative efforts which law libraries might be considering. My suggestion for a program committee would be Stanley Bougus, Chairman, Ruth Corry and John Folger. Since they all live here in Atlanta they should be able to work together conveniently on such a committee.

In view of the fact that this library will be moved later in the spring, I think it would be wise to transfer the papers, etc. relating to Chapter matters so that we wont lose them in the shuffle. Thinking that you may want
to go through them to orient yourself I am taking the liberty of sending them on to you via express. The folder on top will contain the current correspondence, the Chapter mailing list, etc.

Again, I am terribly sorry to dump this load in your lap in the middle of the river, but I'm sure you won't have any trouble swimming to shore.

If there are any other questions, please don't hesitate to write me. I will be at home at 376 Parkway Drive, Athens after March 1st.

Most sincerely,

State Librarian
