Dear Sarah,

Since it will be necessary to notify the membership that the Constitution has been ratified, what would you think of this suggestion. Prepare a form letter stating that the Constitution has been ratified. At the bottom print a bill just like the one outlined in your letter of October 12, which can be detached and returned to you with dues enclosed. The form letter with bill for dues attached could be mailed out to all those on our NEWSLETTER mailing list together with any others that we think might be interested. I think those who consider themselves charter members and are merely paying their dues can easily use the same form as those who may be joining up for the first time. If this meets with your approval, and if you will prepare the form letter and bill, we will be glad to mimeograph it and send it out.

Mary also agrees with you that we should make every effort to have the meeting concurrently with the Southeastern Conference of Law Teachers next year. I certainly think this is the only thing to do but I did not want to say so right off for fear of making it sound like I was trying to get out of having it in Atlanta. Surely the Southeastern Conference will meet here before long.

As you know, Carroll Moreland has appointed a number of Southern representatives on the recruiting committee of the National Association. I am planning to ask these same people to serve for Southeastern. Surely they can kill two birds with one stone. Since you are on the committee from S. C., how about it?

At the National Legislative Conference in Miami Beach last week I met a number of people from South Carolina who knew you but at the moment I can't think of anyone but Inez Watson. You really should get in on that convention some time. It is wonderful, really wonderful. Also met some charming Legislative Reference Librarians who are almost as nice as some Law Librarians I know.

Most sincerely,

Jane
