Dear Sarah:

Thank you for sending me the answer to the questionnaire on circulation policies. In regard to the question about Southeastern dues, I think you are right in that only people should be included in our membership list who have paid their dues to the Southeastern Chapter. I do not know if there is any difference between the list of people you indicated desiring to become members and those who have paid their Southeastern dues. However, in that case, it might be worth contacting those who have not yet paid their Chapter dues and remind them.

I have talked to Catherine Maybury at the Institute and she tells me that Mr. Coates is going to let that library join the National Association, I am planning to suggest her name for a scholarship to the Philadelphia meeting. Speaking of the Philadelphia meeting, I do hope that you are planning to go. I have made no definite plans as yet, but perhaps if you are going we might drive up together or work out some such arrangement. Let me know whether you think you will be going and if you would be interested in driving up.

I have been able to talk Caroline Heriot into accepting a position as law cataloguer so you can stop worrying about trying to find someone. I do appreciate the help you have given us.

Please remember the latch string is still out. I hope you will get up soon.

Sincerely,

*Mary*
