Dear Peg:

As you can see I finally got the paper for the Chapter. I am sending you some of it under separate cover. I have held out some for my own use and have taken some of it over to Duke University to be used in sending out the letters. I am asking them to type all the letters for us and I have asked one of the secretaries here to address all the envelopes. I felt that you had enough to do with the regular correspondence without any more. I am enclosing a copy of the letter for your information. I am also enclosing the receipt for the letterhead which I have paid for myself.

I drew up a tentative program and a form to be returned to us which will be included in the letter when it is sent out. This is being mimeographed and will cost us $1.25.

What do you think about the possibility of fixing the bank account so that I would be able to draw on it as President of the Chapter. Since we might be getting more involved with the plans for the meeting, it might be well if I could do so. If it is inconvenient for you or against the Constitution or whatever just let me know.

I'm taking off this afternoon for an Easter vacation and am planning on stopping in Charlottesville. Miss Elliott is going to Georgia next week and is planning on taking up our meeting with the Librarians there.

Hope that you and Dick have a very nice Easter.

Sincerely,

Mary Oliver, President
