Re: SEAALL membership information per your request

Total membership: 500 at 31 March, 1990

Percentage of members also members of AALL: 77%

(I compared the membership list against the AALL directory - there may be an error of + or - 1%)

Percentage of members of SEAALL by category:

<table>
<thead>
<tr>
<th>Category</th>
<th>Count</th>
</tr>
</thead>
<tbody>
<tr>
<td>Academic</td>
<td>46</td>
</tr>
<tr>
<td>Court, county &amp; government</td>
<td>18</td>
</tr>
<tr>
<td>Firm &amp; corporate</td>
<td>28</td>
</tr>
<tr>
<td>Associate &amp; other</td>
<td>8</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>100%</strong></td>
</tr>
</tbody>
</table>

(We are listing one life member still - I wish we could resolve this one way or another. Either we need to pick up the rest of our distinguished retired members or follow whatever AALL is doing or give up the category altogether. Also, there were three members whose status I was unable to clarify and I put these with "other". Again I think there could be an error of + or - 1% in these figures so I rounded them to the nearest whole number. Our membership increased theoretically by around fifteen after 1 March, and these were mainly people who suddenly found that they were omitted from the directory and made contact with me. A few paid then, and some decided to stay out for the year and pick up membership with the new year.)

If there is any other information which you need please let me know.
