Dear Betty:

Enclosed is a copy of a resolution required to open a bank account. This is for your records. My bank instructed that as the Executive Committee was so spread geographically, a list of the officers together with the signature of another member of the association who was not authorized to operate the account would meet requirements. You will note that Bruce S. Johnson appears as authorized to operate the account. This is purely an emergency provision which I was advised to make.

The only other piece of information which does not appear on this authorization is that the account was opened at the branch of South Carolina National Bank at 930 Assembly Street, Columbia, SC 29201.

I trust that this will meet with your approval and that of the other members of the Executive Committee.

Sincerely,

Diana
