Dear Francis,

This letter is to serve a two-fold purpose, first to express the greatest thanks of the Southeastern Chapter American Association of Law Libraries for your participation in our Micrographics Institute and to express my own personal thanks for the same. In addition I want to express the hope and desire that you will sometime in the not too distant future be a speaker at a program sponsored by the American Association of Law Libraries.

I have not yet been able to locate the materials prepared by the University of Virginia Law Library listing their microfiche, microfilm, and ultratrafiche equipment. As soon as I locate the list I will send a photocopy to you.

Again, I want to express my personal thanks for the presentation which you gave in Atlanta on Friday and Saturday of last week. I do hope our paths will cross in the near future. Please see to it that a statement of your expenses for transportation and other matters is forwarded to my attention at your earliest convenience so that I can have a reimbursement check prepared for you.

Best wishes.

Sincerely,

Edwin M. Schroeder
