Dear Cathie:

You have been of considerable help to me already. The other members of the Executive Board, Dorothy Salmon and Stanley Bougas, agree with you that the Chapter pay for the three participants' dinner.

The only other expense may be a contribution to the LSU supplies account for mailing expenses. This will not come before June and only if we cannot absorb it.

This week we are mailing out registration blanks and a summary of the Chapter Report, together with the last President's letter. For technical reasons, we could not combine that with the ballot. I have sent copies to a few more than paid up members in the hope that those who hold membership in AALL may be induced to join the Chapter.

The AALL refund has not yet been made. I sent in your address and I am sure that the check will be sent to you directly.

Since Ruth wrote that she would inform the bank about the change in officers, let's wait until June 1st. If she has not done it by that time, I am going to do it, so that you are authorized to sign checks. I cannot anticipate any immediate expenditures.

Write me the first week in June in case Ruth's letter to the bank has not arrived by that time.

Tell Mary, please, that I am collecting the ballots and will bring them with me to New York. I should have had them sent to her instead. It is hard to keep everything under control and do it correctly. I hope she does not mind.

Sincerely,

Kate
