Dear Pearl:

Our dues will reach you shortly. We have a new member: Miss Sharon Ables who received her library degree from LSU last May, worked as a trainee for us for the past two years and full time in summer. She is a cataloger now and is in law school full time! She means business and so she should be treated as a professional.

At the Charleston Chapter meeting, I undertook the copying of three manuals (Florida, Kentucky, Miami) and from individual forms submitted, I added to the collection some from Emory, Kentucky and Vanderbilt. Our LSU manuals (order and desk) are also available for loan to any member. I shall be glad to send you the five copies of each, or shall, if you prefer, lend them from here, in your name. They are the property of the S. E. Chapter. The originals were returned to their owners today.

The next step will be to get the word around that they are available on loan. Perhaps you and Mary will get together on procedure and I shall comply with your wishes.

I find it most difficult to get back to daily routines. I wonder how many mistakes will be made in spite of my return to normal duties? More people is not the only answer to our problems. They have to be good to be helpful. Few want to do the routine jobs without which we cannot function. Thanks for your understanding and "grace period" for the dues.

More later,

Sincerely yours,

Kate Wallach
