RE: Nominations to the Executive Board, 1992-93 and
Policy on the use of Publications and Mailing Lists Related to Elections

The Nominations Committee presented, and the Executive Board accepted the slate of nominees. A copy is attached.

As you may be aware, the Executive Board adopted the following resolution on July 5, 1986:

"The use of all Association publications, including those published by the Special Interest Sections, for the promotion of candidates for election to the Executive Board, either by reference in an article or by means of paid advertising is prohibited. Neither shall the membership list of the Association or that of Special Interest Sections be sold or given to any individual or group or used by them for the promotion of candidates for election to the Executive Board."

When this policy was adopted, the Council of Chapter Presidents agreed that Chapters should also abide by it.

In order to insure accurate and equal coverage of all candidates for election, the February AALL Newsletter will feature candidates' photographs, biographical sketches and personal statements prior to balloting by the membership. Please note a change in the deadline for return of Ballots to Tuesday, March 31, 1992. Ballots will be counted on Wednesday, April 1.

You will want to be sure that those responsible for your publications and mailings are aware of this policy. If you want copies of this sent directly to others, please let me know.
