COMMENTARIES ON THE CONSTITUTION OF THE UNITED STATES

By CHESTER JAMES ANTIEAU
Professor of Law, Georgetown University Law Center

A TREATMENT THROUGHOUT OF: DEVELOPMENTS IN THE LAW AND TRENDS IN THE LAW

CONSTITUTIONAL LAW AS PRACTICED

Emphasis throughout is on the topics of constitutional law faced by lawyers, e.g. the limitations upon the states interfering with firms doing interstate commerce; the requirements both the state and federal governments must respect in prosecuting persons alleged to have violated the law; constitutional limitations upon the state and federal government in taxing persons and business firms, etc.

DIVIDED INTO TWO PARTS

Part 1 — The limitation of the federal constitution upon the states
Part 2 — The limitation of the federal constitution upon the federal government

Making the work much more usable and readily pertinent to the problems of the practitioner.

- An abundance of illustrations to indicate the significance of constitutional rules in their application.
- Replete with pertinent and well edited quotations from the leading cases to emphasize the reasons behind the decisions and judicial philosophies and attitudes.
- Dissenting and concurring opinions are regularly indicated and the merit of the ideas contained therein evaluated.

1 Volume (With Latest Pocket Part Supplement) $10.00
