The Ohio Regional Association of Law Libraries is undergoing a self-study process in which its origins, constitution, committees, committee duties, its goals and ways to accomplish them are being analyzed. With this purpose in mind I am requesting that you kindly make available to ORALL, if possible:

1 - Copy of your Chapter's Constitution
2 - Names of the different Committees in your Chapter
3 - Description of duties of each Committee in your Chapter
4 - Geographical extent of your Chapter (if not already ascertained, please mention the farthest towns and states which are part of your membership so as to give an idea of the geographical boundaries of your Chapter)

I will appreciate your sending whatever information you have regarding the above items to my attention and at your earliest convenience.

ORALL's Spring meeting will be dedicated exclusively to this self-study project and the information you provide will be of extreme importance.

Hoping to hear from you soon, I am

Very truly yours,
