Dear Mrs. Von Allmen:

The Ohio Regional Association of Law Libraries will be holding its 1974 Spring Meeting in Toledo, Ohio, on May 9-11, 1974.

Besides having workshops for specific types of Law Librarians there will be two panels of national interest: a) Panel of report on the AALL Task Force, and b) Panel on the recent developments which have taken place in the Government Printing Office.

Personalities of the law library world, publishing businesses and the Government Printing Office, will be part of the above panels and we at ORALL believe this will be a meeting of much national interest and usefulness. Would you like to come and join us on May 9-11th? We would be delighted in having you and any other members of your chapter who would so wish.

We would be most appreciative of any type of advertisement that you give this meeting among your members.

Please do not hesitate to contact me at the above address or at (513) 229-3211 regarding any further information in this matter.

Very truly yours,

Prof. Oscar M. Trelles
Chairman, ORALL Local Arrangements
Director of the Law Library
