Dear Mary:

I know you must have wondered what happened to me about answering you on the manuals and forms mailing operation.

The simple answer is - just busy.

I liked your ideas of the shipping instructions used by Shepards.

Do you want me to do any of the record keeping or letter writing or have you had more time than I have, and gotten them on the way?

I called Dorothy yesterday and she seems to be in good spirits though I am sure there must be more things involved than she would tell me. Her voice sounded strong, so that is an indication that she is stronger and she says she took several days vacation and rested. She complains of being tired, but that is usual for this time of the year.

I received a real nice letter from Corinne Bass and she is located in New Orleans. It was good hearing from her - she is just keeping busy with her parents and bridge playing. She seemed content.

I hope you have a very good New Year and let me know if you want me to do anything concerning the record keeping, if you already have not done so.

Cordially,
