May 2, 1968.

Dear Mary,

I received your letters and we now have the envelopes addressed and will cut the stencils tomorrow for the notice on dues and your letter.

We can either send the notice on the ballot out to the paid members for 1967-68 members, or we can wait until the new membership comes in - which usually takes 2 months to get in, and send out the ballot then, which would be for the membership of 1968-69, and letter could then go out in August of 1968; or we might even vote at Philadelphia, except I think it specifically says by mail-ballot.

Fortunately I have a wonderful secretary who does everything - typing, filing, answering the phone, accessioning, etc., etc. She is a worker, one that you find only in a million years. So we can handle any mailing necessary up until June 7th - then she has the summer off. But I can always get a stencil typed from the Law School office. I will have my secretary address another set of envelopes from 1967-68 members. The membership really doesn't change much from year to year.

I am getting excited about the Philadelphia meeting. Our weather has been "heavenly" and I am anxious just to get out and "go", except we are busy now - exams start May 20th.

If anything comes up, let me know and your suggestions about the ballots.

As ever,
