Dear Mary and Sarah,

First, the question of Memorial to Dorothy; I feel we should go ahead and send the money on to Kentucky in form of the scholarship fund. If we don't do it before the meeting in Houston, we will have to start all over again—what to do and not what to do, at the meeting, and before long it will be almost a year. Those are my sentiments!

Second, the long letter from Bill Stern presents a problem. My "sentiments" are: request Bill Stern to visit us. I feel we need the contact with the present President and he needs to hear our feelings; not the President-Elect Cohen. I think Bill is right about the budget, but I would think there should be a "travelling fund". Perhaps it will be like our funds—it will be exhausted before he makes the rounds of all the meetings, but at least he should try to get to as many of the Chapter Meetings as possible. Perhaps since we had the President last year, perhaps there won't be sufficient funds to send him this year, then we should have the President the next year—perhaps every two years they should make the "rounds".

Did you receive the notice on the meeting in Austin—on Recommendations of books, ordering, etc. It sounds good, and I like the idea of two groups meeting—one for the "new" people and one for the experienced people—oldsters, shall I say? I have asked my Dean about going—but the same old problem of money—just depends.

Since I have relatives in Kerrville, Texas I am hoping my niece may drive with me and if she does, I doubt if we will go to Mexico. I am beginning to get excited about the summer. I plan to drive to Cleveland, Ohio for the week-end of March 28th. Hope the weather will be warm—and we are thru with snow and ice.

Did you receive the pamphlet by Verner Clapp on Copyright—A Librarian's view? Perhaps this could be discussed at our meeting in New Orleans?

Most cordially
