Dear Peyton:

I am sure you have this enclosed letter, or at least you know about the timing of the President's Newsletter.

Perhaps you can get another article in the Newsletter pertaining to our Institute.

Thanks for the carbon letters from people to whom you wrote concerning the Institute.

As soon as you can send me a "blurb" about the Institute. I should be getting out a Newsletter the first of March.

Mrs. Casady would like to send out notices about the Scholarship, and it would be wise to send out a small newsletter as well as the blurb on Scholarship.

Would you suggest waiting until you get all of the Institute printing done, and send out a special mailing with the following in it to all S.E. people:

    Newsletter  
    Scholarship  
    Institute

If so, please let me know, what your thinking is on this.

Most cordially,

S.E. President

Encl.
