Dear Miss Fitzpatrick:  

Your letter of July 29 requesting information about the SE Chapter for the 1976 Directory of Law Libraries came today. I would like to delay answering your letter until after our annual meeting, August 24-27, 1975, in New Orleans in order to have all the information you requested, if that will be in time for your needs. If this will not be soon enough, please let me know and I will reply immediately giving all the information that I have at that time. This paragraph concerns my office as President of the Southeastern Chapter.

If you are working on the 1976 directory I would like to point out something else that needs to be corrected. This concerns my office as Chairman of the AALL Certification Board. Rule "C4" found on page xiii of the 1974 AALL directory has been changed and should be corrected in the 1976 directory. "Long-term" has been changed to "twenty years of." The Certification Board recommended this change to the Executive Board at AALL in Los Angeles and the Executive Board of AALL approved the change. Rule "C4" now correctly reads as follows:

 Twenty years of responsible professional law library experience and outstanding contribution to the profession (no degree requirement).

Please see that this correction is made in the 1976 directory. If I need to contact someone else on this matter, please let me know. Thanks.

Sincerely,

William C. Younger  
President SE Chapter AALL  
and Chairman of AALL Certification Board
