Prof. Caroline C. Heriot, President
Southeastern Chapter, AALL
College of William and Mary
Marshall-Wythe School of Law Library
Williamsburg, VA 23185

Dear Caroline:

It was good to hear from you. I like the idea of having the institute in connection with the August meeting. As you stated, this will relieve Anne of some of the pressure on her and might attract more people to the August meeting. I believe though that you have to make this decision prior to the meeting in June because of all of the planning that has to go into it. My feelings are that the decision should be made by you now with guidance from the Board members due to the fact that the time element between the June and August meetings will be so short. Be that as it may be, do what you feel that you should do.

Enclosed is a letter from Stanley Hammer, a student in the Graduate School of Librarianship at the University of South Carolina, asking about information on the Southeastern Chapter. I thought that you would want to answer this letter.

Please take care of our Chief Justice when he joins you for the Spring semester. He is the greatest. Best wishes.

Sincerely,

William C. Younger
