Dear Miss Jones:

It was good to talk with you today by telephone. I am enclosing a copy of the Southeastern Chapter's constitution and by-laws. In addition, I am enclosing copies of the President's Newsletter for August 6, 1975, February 28, 1975 and September 17, 1974. This should give you sufficient information to compile your report.

One of the main benefits to belonging to organizations such as the American Association of Law Libraries and its Southeastern Chapter is that it offers an opportunity for the members to make beneficial contacts and get together and exchange ideas. It also enables the members to stay current with what is going on in the field.

I regret that mail is still arriving in the name of your predecessor, Mrs. Margaret M. Dye, but it is difficult to get changes effectively made in the mailing list and copies of the mailing list that might be in the hands of different people. I am sending a copy of this letter to Professor J. Lamar Woodard, Stetson University Law Library, requesting that he make the necessary change in the mailing list if it has not already been done.

Sincerely,

William C. Younger
President
