

The image shows a 20x20 grid with a repeating pattern of shaded and unshaded cells. The pattern consists of vertical columns that repeat every 4 columns. The columns are defined as follows:

- Column 1: Unshaded
- Column 2: Unshaded
- Column 3: Unshaded
- Column 4: Unshaded
- Column 5: Shaded
- Column 6: Unshaded
- Column 7: Shaded
- Column 8: Unshaded
- Column 9: Shaded
- Column 10: Unshaded
- Column 11: Unshaded
- Column 12: Unshaded
- Column 13: Unshaded
- Column 14: Unshaded
- Column 15: Shaded
- Column 16: Unshaded
- Column 17: Shaded
- Column 18: Unshaded
- Column 19: Shaded
- Column 20: Unshaded

The shading pattern repeats every 4 columns, starting from column 5. The grid is composed of 20 columns and 20 rows.
