The exercises of the one hundred twenty-second annual commencement are enacted today at the University of Kentucky. The counterpart of the pageantry is enacted each year on campuses all over the world. It is the solemn climax and recognition of the graduates’ years of study and preparation for responsibility.

The following description of the Academic pageantry is provided for your interest.

PROCESSION

The procession, which forms on the Avenue of Champions, will enter the Coliseum through the four corners of the floor. It is led by the University Marshal who positions himself in front of the stage and who is followed by the Color Guard carrying the National and State flags and the University banner. The University Marshal bears the ceremonial mace, emblematic of the endorsement of the State and the University. Led by Assistant Marshals, the candidates march behind the identification banner of the respective colleges which recommended them for their degrees.

The order of march is as follows:

The candidates for advanced degrees to include

The Graduate School
College of Law
College of Medicine
College of Dentistry
College of Pharmacy

The candidates for degrees:

College of Arts and Sciences
College of Agriculture
College of Engineering
College of Education
College of Business and Economics
College of Pharmacy
College of Nursing
College of Architecture
College of Allied Health Professions
College of Home Economics
College of Library and Information Science
College of Social Work
College of Communications
College of Fine Arts

As the candidates reach their seats, the members of the faculty of the University of Kentucky march into the Coliseum wearing the colorful hoods of the colleges and universities from which they were graduated. The climax of the procession brings to the platform the Trustees of the University, the Deans of the various colleges, honorary degree recipients, the Chancellors, the Vice Presidents, and other University officials, guests, state officials, and finally, the President of the University and the Chairman of the Board of Trustees. The Trustees of the University can be identified by their blue gowns with white panels. They wear blue caps with gold tassels.
ACADEMIC ATTIRE

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. The basic color for most caps and gowns is formal black. However, recipients of different degrees wear distinctive tassels on their caps (called mortarboards) and hoods of various hues draped down the backs of the gowns.

CAPS

Candidates for Bachelor’s and Master’s degrees wear the regulation cap with the tassel appropriate to the school or division from which they are being graduated, with the exception of those who already hold Doctor’s degrees and are privileged to wear gold tassels. Except during the positioning of the Colors, the playing of the National Anthem, and prayers, men in academic regalia are requested to wear their caps. The authorized list of tassel colors follows:

- Arts and Sciences—White
- Agriculture—Maize
- Engineering—Orange
- Law—Purple
- Education—Light Blue
- Business and Economics—Drab
- Pharmacy—Olive Green
- Medicine—Green
- Nursing—Apricot
- Dentistry—Lilac
- Architecture—Blue-Violet
- Allied Health Professions—Light Green
- Home Economics—Maroon
- Library and Information Science—Lemon
- Social Work—Citron
- Communications—Crimson
- Fine Arts—Brown

GOWNS

The gown for the Bachelor’s degree has pointed sleeves. It is designed to be worn closed. The gown for the Master’s degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cut away. The gown is designed and supplied with fasteners so that it may be worn open or closed. The gown for the Doctor’s degree has a bell-shaped sleeve on which are three velvet bars (usually black but sometimes other colors, depending on the degree).

HOODS

The Bachelor’s hood is rather short with a narrow velvet edging of the appropriate color (see list under tassels) and a lining in the color or colors of the institution—blue and white at Kentucky.

The Master’s hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The outside velvet trim color designates the degree which the person is receiving. The Doctor’s hood is easily recognized by the width of the velvet edging, the wide panels at either side, the greater length, and the full exposure of the lining. The colors of the edging most frequently seen are blue for philosophy, green for medicine, and purple for laws; the colors for the honorary Doctor’s degrees are purple for laws, white for letters, and golden yellow for science.

Candidates for honorary degrees do not wear the hood until after the degree has been conferred; part of the ceremony of admitting a candidate to his or her honorary degree consists in the candidate being formally invested with the hood.
THE NATIONAL ANTHEM

Oh Say! can you see, by the dawn’s early light,
What so proudly we hailed at the twilight’s last gleaming?
Whose broad stripes and bright stars, thro’ the perilous fight,
O’er the ramparts we watch’d, were so gallantly streaming?
And the rockets’ red glare, the bombs bursting in air,
Gave proof thro’ the night that our flag was still there.
Oh, say does that Star-Spangled Banner yet wave
O’er the land of the free and the home of the brave?

THE ALGERNON SYDNEY SULLIVAN MEDALLIONS

The Sullivan Medallions are awarded to persons whose characteristics of heart, mind, and conduct evince a spirit of love for and helpfulness to other men and women.

RECIPIENTS OF THE ALGERNON SYDNEY SULLIVAN MEDALLIONS FOR 1989

Gloe L. Bertram—Citizen
Angela Mills Motley—Graduating Woman
Jon Edward Lamas—Graduating Man
This charge and the pledge which follows were written by Dr. Frank L. McVey, President of the University of Kentucky from 1917 to 1940.

Charge to the Graduating Class

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests, and widened your powers of understanding, the University feels a part of its duty done, and if in the doing character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

Meantime, the University’s honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:
The Pledge

In the presence of this audience, citizens of the Commonwealth and members of the University, with strong sense of my responsibility, I promise to hold my degree so no loss will come to it through my holding, to regard it as a claim upon my loyalty to Alma Mater and to pledge myself to the service of God and my fellow man.

In Testimony of your conduct and purpose, the University Senate recommending, the Board of Trustees of the University has conferred upon you the Diploma of the University of Kentucky, confirmed and acknowledged by the Great Seal of the University.
