*Accepted on behalf of her father who was tragically killed in a farming accident on March 11, 1991.
Alfalfa Hay & Horses

Great historical use
Fed to all classes of horse
* considered good feed for colts
* useful for work horses
FERTILITY

- Past -- fertilize at half the normal hay rate
- Current -- Wrong
- Early in our grazing experience I believed this to be true
- However, we have found long term, that very little additional fertility is needed on an annual basis
- Soil tests will make you money in these systems
Alfalfa Varieties for the Future

KENTUCKY ALFALFA AWARDS

The Kentucky Alfalfa Awards Program was initiated in 2000 at the 20th Anniversary of the Kentucky Alfalfa Conference. The Awards Program is funded annually from revenues generated each year for the Silent Auction during the Annual Conference.
