This Showcase of Undergraduate Scholars is brought to you for free and open access by the Office of Undergraduate Research at UKnowledge. It has been accepted for inclusion in Kaleidoscope by an authorized editor of UKnowledge. For more information, please contact UKnowledge@lsv.uky.edu.
On April 29, 2009, The Office of Undergraduate Research and Creativity/eUreKa! and SPUR (the Society for the Promotion of Undergraduate Research, UK’s undergraduate research organization) presented the fourth annual Undergraduate Showcase of Scholars, organized and run primarily by students. All of the refreshments were prepared and served by a senior class of undergraduates in nutrition and food services, and a bound volume of abstracts was prepared and distributed by SPUR. Over 120 students made poster presentations, approximately 20 students gave oral presentations, and the UK Jazz Ensemble performed.

A number of students who participated as presenters at the Showcase have articles or abstracts published in this issue of Kaleidoscope. The gallery below includes scenes from the Showcase. An extended version of the gallery is available in the on-line edition of the journal at www.uky.edu/kaleidoscope.
