On April 25, 2007, eUreKal and SPUR (the Society for the Promotion of Undergraduate Research, UK’s undergraduate research club) presented the second annual Undergraduate Showcase of Scholars, organized and run entirely by students. All of the refreshments were prepared and served by undergraduates in nutrition and food services, and a bound volume of abstracts was prepared and distributed by SPUR. Over 120 students made poster presentations, approximately 20 students gave oral presentations, one student performed a one-act monologue and another student gave a vocal performance.

A number of students who participated as presenters at the Showcase have articles or abstracts published in this issue of Kaleidoscope. The gallery below includes scenes from the Showcase. An extended version of the gallery is available in the on-line edition of the journal at www.uky.edu/kaleidoscope.
