The University of Kentucky Journal of Undergraduate Scholarship is a refereed journal published annually by the office of Undergraduate Education of the University of Kentucky. The journal is dedicated to the advancement of knowledge through the publication of the results of the intellectual pursuits of undergraduate students. The journal accepts reports of all forms of creativity and scholarship by undergraduate students including, but not necessarily limited to, artistic and musical creations, creative writing and poetry, and reports of studies and research in the humanities, the social, natural, and medical sciences, agriculture, business, architecture, and engineering. The journal is published in traditional print format and as a Web site. The Web site may include creative materials, such as performances and art work, that cannot be reproduced on paper.
